Recovery Growth and Transformation

Developing a body of knowledge and research
that charts and then celebrates recovery
success.

**This prestigious, accessible conference programme is
designed to reflect contemporary thinking in the field of
recovery through presentations, workshops and a unique
opportunity to participate in a research methodology
masterclass:**

"How to investigate and report grassroots recovery."

Who should attend: Service users, family supporters, community activists,
service providers, commissioners, strategic planners, people in recovery,
advocates of people in recovery.

**In Association with Scottish Drugs Recovery Consortium
Charity Number: SC041181**

Programme: Tuesday 27 September 2011
